Re: Georgia Power Company's 2023 CARES US RFP Company-Owned Proposal Team Disbandment, Close-Out Standard of Conduct Acknowledgements, and Revised Evaluation Team List; Docket No. 45084

Dear Ms. Tanner:

In accordance with Georgia Public Service Commission (the "Commission") Rule 515-3-4-.04(3)(d), and pursuant to Georgia Power Company's ("Georgia Power" or the "Company") 2023 CARES US Request for Proposal ("RFP"), enclosed for filing are the Company-Owned Proposal ("COP") Team Close-Out Standards of Conduct ("SOC") Form, which includes the Acknowledgement signed by all members of the COP Team and, for convenience, the final COP Team list. This filing constitutes the disbandment of the 2023 CARES US RFP COP Team and final filing.

Georgia Power established a COP Team for the 2023 CARES US RFP anticipating a COP submission into the RFP. However, the Company did not submit a COP in the 2023 CARES US RFP. Therefore, a COP Team is no longer needed for this RFP. Every effort was made to contact members of the COP Team who are now either retired or who have left Southern Company or Georgia Power employment (as indicated on the final COP Team list) and despite best efforts, those End of Process Standards of Conduct Acknowledgments were not obtained.

The purpose of the SOCs and separation into Evaluation and COP Teams is to prevent any employee from serving as a conduit of information between the two teams, thereby supporting a transparent and non-biased RFP process. Upon disbandment of the COP Team, certain members from the former COP Team will transition to the Evaluation Team to assist with due diligence solely for this RFP. These individuals are identified in the attached revised Evaluation Team list. Given that Georgia Power did not submit a COP Team for this RFP, reassigning former members of the COP Team to the Evaluation Team poses no risk of bias in the bid evaluation process. Further, the SOCs and communication protocols will remain in place for the Evaluation Team.

Georgia Power continues to support and emphasize the importance of using SOCs between the Evaluation Team and COP Teams in current and future Georgia Power RFPs.

The disbandment of the COP Team and transition of certain team members to the Evaluation Team in this 2023 CARES US RFP is specific to this RFP. None of the actions taken within this filing impact the Team Lists for any other active Georgia Power RFP.

If you have any questions, please contact me at 404-885-3779.

Sincerely,

Allison W. Pryor
