BEFORE THE
GEORGIA PUBLIC SERVICE COMMISSION

Ezee Fiber Texas, LLC's Application For a Certificate of Authority To Provide Competitive Local Exchange Service In the State of Georgia	)))))	Case No. _____

AFFIDAVIT OF KEN BONVILLIAN IN SUPPORT OF APPLICANT'S REQUEST FOR TRADE SECRET PROTECTION

State of TEXAS,

County of HARRIS,

PERSONALLY appeared before me, the undersigned authority and for said county and state, Ken Bonvillian, who, has been first duly sworn, deposes and says:

1. I am Ken Bonvillian, VP of External Affairs of Ezee Fiber Texas, LLC, ("Ezee Fiber" or "Company"), the Applicant in the above-referenced case and this affidavit is submitted in support of Ezee Fiber's Request for Trade Secret Protection.

2. The information for which Ezee Fiber is seeking protective treatment is Confidential Exhibits 3 and 5, which contain the organizational chart and audited 2023 financials of Ezee Fiber's parent, Wavemedia Telecom (the "Trade Secret Information").

3. The Trade Secret Information is not publicly available,and is the subject of efforts by Ezee Fiber to maintain its secrecy, and, in addition to counsel, is known only to Ezee Fiber's officers and management personnel. The Trade Secret Information derives independent economic value from not being generally known to,and is not readily ascertainable by other persons who can obtain economic value from its disclosure or use. Public disclosure of this information would materially damage Ezee Fiber's competitive and financial position by providing competitors with private information and with an advantage which Ezee Fiber itself would not enjoy with its own competitors. Information as to the value of Ezee Fiber and details regarding its assets and liabilities is integral to Ezee Fiber's success as a company and is considered a "trade secret."

4. As a privately held company, Ezee Fiber is not under any obligation to prepare or release public financial statements or publicize its corporate structure. Further, Ezee Fiber prepared the Trade Secret Information for internal use in connection with the preparation of its Application in this case and has not released, and is not required to release, the Trade Secret Information to the public. The disclosure of the nonpublic Trade Secret Information of Ezee Fiber in this case or otherwise could provide competitors with valuable insight into the financial structure and planned

operation of the Company. Because this represents highly confidential and strictly trade secret information, the disclosure of which to the public, including competitors, could result in direct and immediate harm to the Competitive position of Ezee Fiber, there is a genuine need for the Company to seek non-disclosure of this information.

5. While the Staff and the Commission may need to review this information to determine and confirm the merits of the Application submitted in this case, the general public has no direct or substantive interest in this information.

6. The Company's competitors also do not require this information other than to gain potential competitive advantage or to use the information in an unfair and potentially anticompetitive manner.

7. The information sought to be protected has not been made public in any other forum or jurisdiction.

8. The facts stated above are known by me to be true, of my own personal knowledge.

Ken Bonvillian

Taken, sworn to and subscribed before me this 12 day of July, 2024.

Notary Public in and for said County.

My commission expires on the 5 day of February, 2028.
