Re: Easton Telecom Services, L.L.C. Notice of Detariffing

Dear Secretary Tanner:

Pursuant to the Georgia Public Service Commission's ("Commission") 2010 *Order Implementing House Bill 168* in Docket No. 32235 ("Order"), Easton Telecom Services, L.L.C. ("Easton") advises the Commission of the Company's election to de-tariff its Georgia retail telecommunications services, effective March 1, 2023. Easton requests cancelation and withdrawal of its Georgia retail service tariff, Georgia P.S.C. Tariff No. 1, accordingly.

Easton maintains a Certificates of Authority to provide competitive local exchange telecommunications services[1] and resold interexchange telecommunications services[2] as a non-facilities-based reseller of telecommunications services within the State of Georgia.

The Commission has authorized telecommunications carriers to provide competitive non-access telecommunications services subject to permissive detariffing. In lieu of Georgia retail service tariffs, Easton has posted Georgia retail service guide and separate price list which sets forth the Company's intrastate retail service rates, terms, and conditions at the Company's web site, http://www.eastontel.com/customer-resources. Easton's request is consistent with the Commission's Order for detariffing retail services.

Thank you for your attention to this matter. Questions may be directed to the undersigned.

Sincerely,
STERLING BUSINESS LAW

Philip Josephson
Counsel to Easton Telecom Services, L.L.C.
