Dear Ms. Tanner:

Please find enclosed for filing Georgia Power Company's Application for Certification of the 2023 Biomass RFP Power Purchase Agreements ("PPAs") Supplemental Filing. As part of this filing, Georgia Power Company ("Georgia Power") is submitting to the Georgia Public Service Commission (the "Commission") the fully executed signature page for the Greenfield PPA to replace the signature page of the partially executed Greenfield PPA between Georgia Power and Altamaha Green Energy, LLC in Georgia Power's Application for Certification of the 2023 Biomass RFP PPAs which Georgia Power filed in this Docket on July 29, 2024. Nothing has changed from the partially executed PPA as originally filed aside from the fully executed signatures contained in this Supplemental Filing.
