GEORGIA POWER COMPANY'S SUPPLEMENTAL FILING

Georgia Power Company ("Georgia Power" or the "Company") hereby submits this Supplemental Filing with the Georgia Public Service Commission ("Commission") to replace the signature page of the partially executed Power Purchase Agreement ("PPA") in Georgia Power's Application for Certification of the 2023 Biomass RFP PPAs in Docket No. 44880 filed on July 29, 2024, with the fully executed signature page for the PPA. Nothing has changed from the partially executed PPA as originally filed aside from the fully executed signatures contained in this Supplemental Filing.

Accordingly, Georgia Power has attached hereto as Attachment A, the fully executed signature page for the PPA for Biomass Generation between Georgia Power and Altamaha Green Energy, LLC.

Respectfully submitted this 8th day of August 2024.

procedure, standard, or provision as modified or amended, and then effective or current. Captions are for convenience only and do not affect interpretation. Reference to a PPA part by caption (e.g., *Term of Agreement*) or number (e.g., Part 2) includes all separate sections (e.g., 2.3 (*Conditions to Performance)* and clauses (e.g., 2.3.1 (*FERC Acceptance*)) within that part and reference to a section by caption or number includes all separate clauses within that section. Unless the context clearly requires otherwise, use of the term "will" will be interpreted to define contractual obligations, requirements, and prohibitions of a Party.

21.15 Replacement Index. Should any index or tariff referenced in this PPA be discontinued, no longer published, or deemed unrepresentative, the Parties will cooperate in establishing substitute benchmarks through reference to equivalent indices or tariffs.

21.16 Recording. Each Party acknowledges and consents to the tape or electronic recording of all telephone conversations between the Parties, and any such recordings will be retained in confidence, kept secure from improper access, and may be submitted in evidence in any proceeding or action relating to this PPA. Each Party waives any further notice of such monitoring or recording and agrees to notify its officers and employees of such monitoring or recording and to obtain any necessary consent of its officers and employees.

21.17 Further Assurances. The Parties will provide reasonable cooperation to each other as necessary to give effect to the terms of this PPA.

21.18 Transfer of Information Acknowledgement. Generator agrees to execute, contemporaneous with the execution of this PPA, the Transfer of Information Acknowledgement attached as **Exhibit K** (*Transfer of Information Acknowledgement*), and GPC agrees to the limited use and confidential treatment of such information a set forth in **Exhibit K** (*Transfer of Information Acknowledgement*).

21.19 Execution Under Seal. Each Party represents and warrants that it hereby adopts the word/symbol (SEAL) as its seal with the intent that this PPA be signed by it under seal and treated as a sealed instrument.

Each Party agrees to all terms and conditions of this PPA and executes this PPA under seal. The Parties may exchange counterparts of this PPA as a scanned image (e.g., .pdf or .tiff file extension) as an attachment to email; an electronic or scanned signature is an original signature for all purposes.
