Tariff Sheet 27(4)(a): Detailed Project Description

This project proposes to serve a multi-unit retail establishment in Athens located at the intersection of Brock Road and Jefferson Road in Jackson County. The retail development will include a yet to be named hotel, The Silo restaurant, The Rustic Rooster restaurant, St. Mary's medical facility, an Ace Hardware, and a Stripling's country store with gasoline sales named Redstone Market. These establishments are expected to add 270 jobs to the local economy.

In order to serve these businesses, AGL proposes to tie-into existing 4" plastic main located at the intersection of Lebanon Church Road and Bellamy Road and install approximately 3,833 feet of 4" plastic main (MAOP 60 psi) along Lebanon Church Road and Jefferson Road to reach the site. See attached proposal map. AGL is certificated to serve this area.

A Tariff Rule 8 analysis indicates that the customers would owe a contribution in aid of construction of approximately $100,000.
