Re: Georgia Power Company's 2023 Biomass RFP End of Process Acknowledgement - Docket No. 44880

Dear Ms. Tanner:

The activities of the Georgia Power Company ("Georgia Power" or "Company") Evaluation Team have concluded. In accordance with Georgia Public Service Commission (the "Commission") Rule 515-3-4-.04(3)(d), pursuant to Georgia Power Company's 2023 Biomass Request for Proposals ("RFP"), enclosed for filing is the Reaffirmation and End of Process Acknowledgement and, for convenience, the final Evaluation Team list. Georgia Power obtained signatures from everyone on the final Evaluation Team List with the exception of those that have either retired, left the Company, or otherwise could not be located. These individuals have been identified in the final Evaluation Team list. As the Commission's electronic filing procedures require, we are mailing a copy of this filing to the Commission. Thank you for your attention to this matter.

Sincerely yours,

HOLLAND & KNIGHT LLP
