RE: Georgia Power Company's 2023 Distributed Generation Request for Proposals, the Company-Owned Proposal Team Close Out Standard of Conduct Acknowledgements and Final Company-Owned Proposal Team List; Docket No. 44942

Dear Ms. Tanner:

In accordance with Georgia Public Service Commission (the "Commission") Rule 515-3-4-.04(3)(d), and pursuant to Georgia Power Company's ("Georgia Power" or the "Company") 2023 Distributed Generation Request for Proposals ("2023 DG RFP"), enclosed for filing are the Company-Owned Proposal ("COP") Team Close Out Standards of Conduct Form, which includes the Acknowledgement and the Final 2023 DG RFP COP Team list. Every effort was made to contact members of the COP Team who are now either retired or who have left Southern Company or Georgia Power employment (as indicated on the final COP Team List) and despite best efforts, those COP Team Close-Out Standards of Conduct Acknowledgments were not obtained. This filing constitutes the final filing for the 2023 DG RFP COP Team.

If you have any questions, please contact Cheryl Johnson at 404-506-6837.

Sincerely,

/s/ Jeremiah Haswell
