ATLANTA GAS LIGHT COMPANY'S PETITION
FOR WAIVER OF COMMISSION RULE 515-7-5-.07(2)(c)

Atlanta Gas Light Company ("AGL" or "Company") submits this Petition for Waiver of Commission Rule 515-7-5-.07(2)(c) with the Georgia Public Service Commission (the "Commission") in Docket Nos. 15326 and 43510, requesting to open the stakeholder survey on February 1, 2025 for the 2026 Annual Universal Service Fund Facilities Expansion Plan ("Annual Plan").

Under Commission Rule 515-7-5-.07(2)(c), the Company is required to set up a link on its website and use a public survey as an online public stakeholder process to help identify potential projects across the state of Georgia for inclusion in the Company's Annual Plan. Under the Rule, the public survey opens April 1st and closes June 30th each year. The Company is then required to file its Annual Plan on September 1st.

AGL requests Commission approval to open the survey on February 1, 2025, and close the survey on April 30, 2025. Moving up the survey date is necessary to provide the Company enough time to fully assess each potential project, select projects to include within the Annual

Plan, and comply with the regulatory requirement to file the Annual Plan on September 1st. Therefore, AGL requests the Commission waive Rule 515-7-5-.07(2)(c).

Respectfully submitted this 8th day of January 2025.
