APPLICATION FOR LEAVE TO INTERVENE
OF GEORGIA WATCH

Pursuant to O.C.G.A. §§ 50-13-14 and 46-2-59 and Rule 515-2-1-.06 of the Georgia Public Service Commission ("Commission"), Georgia Watch hereby files this Application for Leave to Intervene ("Application") in the above-referenced dockets. In support of this Application, Georgia Watch shows as follows:

1.

On January 31, 2025, Georgia Power Company ("Georgia Power") filed for approval of its 2025 Integrated Resource Plan (IRP) as well as its proposed and amended Demand-Side Management (DSM) Plan. Previously, on January 28, 2025, the Commission issued a procedural and scheduling order applicable to these two dockets. Pursuant to that order, Georgia Watch files this application for leave to intervene and participate in the above-referenced dockets. The application is timely filed.

2.

Georgia Watch is the State's leading nonprofit consumer advocacy organization dedicated to addressing needs and interests of Georgia citizens statewide on a wide range of matters, including energy issues through its Consumer Energy Program. Many Georgia Watch

members, all its employees, and the Georgia Watch office are served by Georgia Power, and as such, the interests of Georgia Watch and its members may be substantially affected by decisions made by the Commission in this proceeding. As a result, Georgia Watch has substantial interests in the outcome of this proceeding and desires to intervene in order to protect those interests.

3.

The interests of Georgia Watch's employees and members who are served by Georgia Power are not adequately represented by other parties to this proceeding and Georgia Watch's intervention in this matter will not unduly delay these proceedings or prejudice any other party.

4.

WHEREFORE, Georgia Watch respectfully requests that the Commission grant its application to intervene in the above-captioned dockets, thereby allowing Georgia Watch to participate fully as a party of record.

5.

Georgia Watch designates the following person to receive all notices, correspondence and filings in the above dockets and to be placed on the official service list in this proceeding:
