Re: *Request to Voluntarily Surrender Certificate of Authority No. L-0535, RCLEC, Inc., Docket No. 38536*

Dear Ms. Tanner:

RCLEC, Inc. ("RCLEC") hereby submits a request to cancel its Certificate of Authority No. L-0535 ("Certificate") to resell and provide facilities-based competitive local exchange telecommunication services in the State of Georgia. RCLEC was granted an interim Certificate of Authority by order filed August 12, 2014, in Docket No. 38536. In an order filed February 27, 2023, the Commission converted all interim CLEC Certificates, including RCLEC's, to regular Certificates of Authority. RCLEC also requests to cancel its associated Georgia PSC Tariff No. 1, issued May 23, 2014.

RCLEC does not provide services and does not have any customers in Georgia pursuant to the above-referenced Certificate and no longer requires its Certificate or its tariff. Because RCLEC does not serve any customers pursuant to this authority, no customer notice is required. RCLEC will continue to serve existing customers as an interconnected VoIP provider.

Please contact me if you have any questions.

Respectfully submitted,

/s/ H. Henry Shi
