**Re: Request for Approval of Revisions to Georgia Power Company's Rules and Regulations, Docket No. 44280.**

Dear Ms. Tanner:

On January 28, 2025, the Commission issued its Order Approving Revisions to Georgia Power Company's Rules and Regulations ("Order Approving the Rules and Regulations"). Pursuant to that Order, on February 28, 2025, Georgia Power Company (the "Company") filed tariffs for applicable customers reflecting these changes to the Rules and Regulations. Included in that compliance filing was the Company's TOU – Supplier Choice ("TOU-SC-15") tariff. During the Commission Staff's review of the tariffs, the Company identified some additional refinements to TOU-SC-15 tariff that are intended to enhance the description of the minimum bill requirements consistent with the Rules and Regulations approved by the Commission.

Enclosed with this filing is a revised TOU-SC-15 tariff, which includes this revision. The Company has previously shared this language with Commission Staff, and requests that the TOU-SC-15 tariff be approved to go into effect April 1, 2025, along with the remaining tariff changes, in compliance with the Order Approving the Rules and Regulations.

Please call me at 404-885-3683 if you have any questions regarding this filing.

Sincerely,

Brandon F. Marzo
