RE: Docket No. 36946 – Eligible Telecommunications Carrier Repository
Docket – Assurance Wireless's 4th Q 2024 customer deactivation report

Dear Ms. Tanner:

Assurance Wireless USA, L.P. ("Assurance") (f/k/a Virgin Mobile USA, L.P.) hereby submits in the attached sealed envelope its **TRADE SECRET** version of Assurance's customer deactivation report for the fourth quarter, 2024, as required by the Commission's Orders in Docket No. 31297.

Assurance's report is hereby filed under protective seal with the designation **"TRADE SECRET"** displayed. The trade secret information pertains to the number of Assurance Lifeline customers deactivated by category. Such information is proprietary, sensitive in nature, and would provide competitors with valuable market information relating to Assurance's customers and provisioning of service within the State of Georgia. Assurance makes all reasonable efforts to keep this information confidential and exempt from public disclosure. Assurance does not possess similar information regarding its competitors' customers. Accordingly, Assurance respectfully submits the information to the Commission pursuant to Commission Rule 515-3-1-.11 ("Trade Secrets").

This filing is being made using the Commission's Alternative Electronic Filing Procedures ("Procedures"). An original electronic version of this letter, a Public Disclosure version of the report, and the affidavit required by O.C.G.A. Section 50-18-72(a)(34), are included in the electronic filing. A hard copy Public Disclosure version of the filing, as well as a **TRADE SECRET** version of the report in a sealed envelope, are being sent to the Commission today via overnight delivery, and the overnight package will include a copy of the email confirmation as requested in the Procedures. Thank you for your assistance, and please call me if you have any questions regarding this matter.

Sincerely,
