Docket No. 56033

Corrected Order Approving Request for Financing Authority

IN RE: Application of Coweta-Fayette EMC for Approval of Financing Authority

BY THE COMMISSION:

Coweta-Fayette EMC filed a request on December 20, 2024, for the financing authority relating to a RUS Treasury Rate Loan in the amount of $157,744,000.

On January 28,2025, the Commission issued an order approving the application. The Commission now issues this corrected order to state that the term of the loan is 35 years. The purpose of the loan is financing for a 3-year construction workplan.

The Commission finds that in no instance shall any of the financing approved by the Commission via this application be used to make loans to a gas affiliate of the applicant, any other electric membership corporation, or any joint venture of an affiliate of any electric membership corporation that participates in natural gas marketing activities as contemplated by O.C.G.A. § 46-4-150 et seq.

The Commission finds that Coweta-Fayette EMC shall take all reasonable steps to prevent cross-subsidization between the electric services that it may provide at this time or in the future, and the natural gas services that it, any other electric membership corporation, or any joint venture of an affiliate of any electric membership corporation may offer.

The Commission finds that Coweta-Fayette EMC will take all reasonable steps to reduce or eliminate any potential stranded costs.

The Commission finds that it has jurisdiction over this matter pursuant to O.C.G.A. §§ 46-2-28 and 46-3-12. The Commission also finds that the proposed loan is reasonable and falls within the spirit and intent of the above Code Sections. The Commission further finds that a public hearing on this matter is not necessary pursuant to Commission Rule 515-4-1-.01.

Wherefore, it is

ORDERED, that for the purposes as set forth herein and in the application Coweta-Fayette EMC is hereby authorized to borrow $157,744,000.

ORDERED FURTHER, that the proceeds from the loan herein authorized shall be used for the purposes as set forth in the application and in this order.

ORDERED FURTHER, that in no instance shall any of the financing approved by the Commission via this application be used to make loans to a gas affiliate of the applicant, any other electric membership corporation, or any joint venture of an affiliate of any electric membership corporation that participates in natural gas marketing activities as contemplated by O.C.G.A. § 46-4-150 et seq.

ORDERED FURTHER, that Coweta-Fayette EMC shall take all reasonable steps to prevent cross-subsidization between the electric services that it may provide at this time or in the future, and the natural gas services that it, any other electric membership corporation, or any joint venture of an affiliate of any electric membership corporation may offer.

ORDERED FURTHER, that Coweta-Fayette EMC shall take all reasonable steps to reduce or eliminate any potential stranded costs.

ORDERED FURTHER, that a motion for reconsideration, rehearing, or oral argument shall not stay the effectiveness of this order unless otherwise provided by the Commission.

ORDERED FURTHER, that jurisdiction over this matter is expressly retained for the purpose of entering such further order or orders as this Commission may deem just and proper.

The above action of the Commission in Administrative Session on April 1, 2025.
