RESPONSE OF VERIZON LONG DISTANCE LLC, VERIZON SELECT SERVICES INC. AND XO COMMUNICATIONS SERVICES, LLC TO NOTICE OF INQUIRY

Verizon Long Distance LLC (VLD), Verizon Select Services Inc. (VSSI) and XO Communications Services, LLC (XO) have been issued Alternate Operator Services (AOS) certificates by the Georgia Public Service Commission. They respond to the questions posed in the Notice of Inquiry issued on March 4, 2025 in this docket as follows:

1. **If you have not filed a semi-annual aggregator report in the past six months, do you currently have any aggregator contracts to report? If an aggregator report was filed in the past six months, so state.**

   Response: Based on their investigation to date, VLD, VSSI and XO have not found any aggregator contracts that are still in service.

2. **Does your company provide AOS services as defined and described in the November 14, 1988 Order in Docket No. 3783?**

   Response: Based on their investigation to date, VLD, VSSI and XO have not found any such service arrangements.

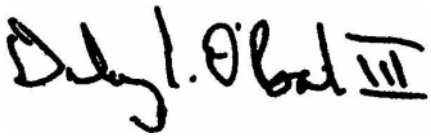

3. **Are you currently providing *any* services under your AOS certificate that cannot be provided under another certificate of authority (e.g., Reseller, Interexchange Service Carrier, etc.) issued by the Commission?**

   Response: VLD, VSSI and XO are not aware of any such services.

4. If the answer to questions 2 and 3 is no, would you be willing to voluntarily relinquish your AOS certificate?

Response: Yes.

Respectfully submitted on April 3, 2025.
