4. NEW VIOLATIONS

5. OTHER RECOMMENDATIONS/COMMENTS

On July 8, 2024 Staff performed an inspection of the Atlanta Gas Light Company's construction project on Albany Street from G Street to F Street in the City of Brunswick. During this inspection, Staff reviewed the Atlanta Gas Light Company (Southern Company) construction project specifications for the job is the placement of 565 feet of 4" plastic, 240 feet of 2" plastic and 1 new 16 feet of service line. The job also was to retire 2 service lines. At the time of my arrival the crew were spotting and hand dug the 16 foot service line and attached to the new 4" plastic before it was activated. The installation lasted the entire day that Staff was on site. Staff reviewed the materials being used, excavation for the pipe, damage prevention procedures, along with an operator qualification field inspection on personnel performing construction tasks.

During this inspection, the Operator was represented by:
John Skyasik - AGLC Project Coordinator
Larry Carter (Area Manager)- SEC (AGL Contractor)
Andy Moon - Operator
Robert Gates - Operator

Staff was represented by:
David Lewis – Lead Inspector
Glen Murphy- Pipeline Safety Inspector

At the time of this inspection, AGLC-Brunswick was under one (1) probable violation. Staff did not check this probable violation at this time because this was a field inspection.

NO VIOLATIONS FOUND

During this inspection, Staff reviewed the Atlanta Gas Light Company (Southern Company) construction project specifications and at the time of my arrival the crew were spotting and hand dug the 16 foot service line and attached to the new 4" plastic before it was activated. Staff observed an AGLC contractor construction crew (SEC) and conducted an OQ Protocol 9 field Task. Staff verified that covered task(s) were being performed in accordance with appropriate Operator-approved procedures, that the procedures were available at the job site, and that the individuals performing the observed covered task(s) were adhering to the operator-approved procedures as written.

During this inspection, Staff conducted OQ Protocol 9 field verification inspections. In the field evaluations, Staff observed an AGLC contractor construction crew (SEC). Staff verified that covered task(s) were being performed in accordance with appropriate Operator-approved procedures, that the procedures were available at the job site, and that the individuals performing the observed covered task(s) were cognizant of abnormal operating conditions that could be encountered with their task. During the field evaluations, Staff observed Robert Gates - OQ055A-Visual Inspection of Joining Materials Other Than Welding (Heat Fusion) good through September 18, 2024. Staff only conducted Operator Qualification field evaluation for the OQ055A-Visual Inspection of Joining Materials Other Than Welding (Heat Fusion).

As a result of this inspection Staff noted no probable violations of the minimum federal safety standards.

Please review and respond to this report in accordance with the attached Instructions for Responding to Enforcement Letters Issued by the Georgia Public Service Commission.

OPERATOR RESPONSE FORM

Operator Name: ATLANTA GAS LIGHT COMPANY

Informal Conference Requested: Yes No

Docket Number: 37024

Filings:

For all written responses or any other official correspondence, the Operator shall file the response at the following address:

Ms. Sallie Tanner, Executive Secretary
Georgia Public Service Commission
244 Washington Street, SW
Atlanta, Georgia 30334

The Operator must file **five (5)** copies of any response and/or official correspondence, as well as a CD with an electronic version of the response in Microsoft Word and/or a PDF, if applicable.

Informal Conference:

Any Operator who chooses to request an informal conference shall request such a conference through emailing the Director (michellet@psc.state.ga.us), calling the Director (404-463-2765), or selecting the "Request Conference" choice.

Civil Penalty Payments:

Certified check for the full amount of the recommended civil penalty or consent agreement amount made payable to the Georgia Public Service Commission. The Operator's name, applicable Docket No., and Inspection Report No. must be included on the certified check. Mail payment to:

Ms. Michelle Thebert, Director, Facilities Protection Unit
Georgia Public Service Commission
244 Washington Street
Atlanta, Georgia 30334

Hearing Requests:

The Operator has the right to request a hearing before the full Commission to contest the alleged probable violations, recommended civil penalties, and all other proposed actions of enforcement. A request for a hearing must be submitted in writing and in accordance with Commission Rule 515-2-1-.04. The Operator must include a statement of the issues that you intend to raise at the hearing. The issues may relate to the allegations, new information, proposed compliance order, proposed civil penalty, or any other recommendation for enforcement action. Please refer to Commission Rule 515-9-3-.11 and O.C.G.A. § 46-2-91 for assessment considerations upon which civil penalties are based. An operator's failure to specify an issue may result in a waiver of the right to raise that issue at hearing. The request must also indicate whether or not the Operator will be represented by counsel at the hearing.

Open Records and Trade Secret Filings:

The Operator is advised that any material provided to the Commission, and all materials prepared by the Commission, including the Notice of Probable Violations and any Orders issued in this case, may be considered public information and subject to disclosure under the Georgia Open Records Act (O.C.G.A. § 50-18-70 et seq.). If you believe that any portion of your response material is security sensitive, privileged, confidential or may cause your company competitive disadvantages and would qualify for protection under the Commission's "Trade Secret Rule" (Commission Rule 515-3-1-.11), you must, along with the complete original document clearly marked "TRADE SECRET" on each page, provide a second copy of the document with the portions you believe qualify for trade secret treatment redacted, and an explanation of why you believe the redacted information qualifies for such trade secret treatment. Should the Commission receive a request for disclosure of any "TRADE SECRET" material, you will be notified, if after review, the materials and your provided justification are deemed not to meet any exemptions provided in the Georgia Open Records Act. You may appeal the Commission's decision to release material at that time. Your appeal will stay the release of those materials until a final decision is made.
