Re: City of Cartersville vs. Georgia Power Company; Docket No. 55973

Dear Ms. Tanner:

This letter is to inform the Georgia Public Service Commission and all Parties of Record in the above-referenced proceeding of Georgia Power Company's ("Georgia Power") potential witnesses, listed below:

Mr. Glenn W. Dyke (Georgia Power Company)

Mr. Mark W. Lees (Georgia Power Company)

Mr. S. Joshua Mauldin (Georgia Power Company)

Georgia Power has reviewed the proposed stipulations set forth by the City of Cartersville and agrees with each stipulation except item number nine. Georgia Power does not agree that the Property has single metered service, and Atkore has a connected load which is 900 kilowatts or greater. The Parties will continue to work together on the proposed stipulations in advance of the pre-hearing conference. Please call me at (404) 885-3779 if you have any questions regarding this filing.

Best regards,
