**APPLICATION OF SOUTHSTAR ENERGY SERVICES LLC
d/b/a GEORGIA NATURAL GAS FOR LEAVE TO INTERVENE**

NOW COMES SouthStar Energy Services LLC d/b/a Georgia Natural Gas ("GNG") and pursuant to O.C.G.A. §§ 50-13-14 and 46-2-59, Rule 515-2-1-.06 of the Rules of the Georgia Public Service Commission and the Commission's April 15, 2025 Procedural and Scheduling Order, files this application for leave to intervene in the above-referenced proceeding. In support of this application GNG shows the Commission the following:

- 1) GNG is a natural gas marketer holding Interim Certificate No. GM-0017 authorizing GNG to market and provide natural gas commodity sales under the Georgia Natural Gas Competition and Deregulation Act. GNG is one of Georgia's leading marketers and is actively marketing and selling natural gas to firm customers in each of the nine delivery groups.
- 2) As an active natural gas marketer GNG has a legal and property interest in this proceeding. In particular, GNG has a substantial interest in assuring an adequate

supply of natural gas to serve its customers and in the Atlanta Gas Light Company rates, charges and tariffs approved by the Commission. GNG will be directly impacted by orders entered by the Commission in this proceeding

- 3) Because all marketers are competitors with often varying views regarding capacity supply, rate and tariff issues, GNG's interests will not be adequately represented in this proceeding.
- 4) GNG's participation will not unduly delay or prejudice the rights of other parties. This application is filed within thirty days of the first published notice of the proceeding.
- 5) GNG has not yet determined whether it will file testimony in this proceeding but will timely notify the Commission and the parties if determines to do so.
- 6) All notices, documents, correspondence and all other materials should be addressed and served on the following:
