Re: **GreenSky Servicing, LLC**
Georgia Telephone Service Observing Equipment License# 511
(Docket#39853)
Change in Main Contact Person

Dear Ms. Tanner:

On behalf of our client, GreenSky Servicing, LLC ("GSS" or the "Company"), a Georgia Telephone Service Observing Equipment Licensee (License# 511) (Docket# 39853), we are writing to the Georgia Public Service Commission (the "Commission") to advise the Commission of a change in the main contact person of GSS, which change will be effective immediately. This shall serve as formal notification of the main contact person change set forth below for GSS.

Main Contact Person Changes

The Company designates Bri Erwin, Director, Compliance with the Company to be the main contact person for GSS effective immediately. Ms. Erwin has replaced Brenda Ward as the main contact person for the Company. The general email address for the main contact with the Company has not changed and shall remain as greensky_licensing@greensky.com. Please amend the Commission's records effective immediately to reflect Ms. Erwin as the main contact person.

We understand from our telephone communication with the Commission that notification of a change in contact information is required by the Commission. We trust that written notification of the change in the main contact person of GSS by email correspondence, along with an Alternative E-File amendment via the Commission's website will be sufficient for the Commission to update its records. Accordingly, we trust no further information will be required in connection with the change.
