Re: Docket No. 31647—Nicor, Inc. Acquisition Synergy Savings

Dear Mr. Chairman and Commissioners:

In the Georgia Public Service Commission's April 23, 2015 Orders in Docket No. 31647, the Commission ordered Atlanta Gas Light Company ("AGL" or the "Company") to share with customers as a credit on customer bills 50% of synergy savings resulting from the acquisition of Nicor, Inc. The Company is informing the Commission that the credit for the synergy savings is scheduled to sunset at the end of this month, but the Company intends to keep the synergy savings for the remainder of 2025 consistent with the rate and revenue projections set through the Commission's 2025 Georgia Rate Adjustment Mechanism ("GRAM") Order. With the July 1, 2025 filing of the 2026 GRAM, the synergy savings credit will roll into the Company's rates effective January 1, 2026. The Company's proposed rates will remain consistent with the previously agreed-to rate adjustments in the schedules of the Amended Attachments to the 2025 Annual GRAM Filing that were filed on November 19, 2024, in Docket No. 42315.
