Re: *Docket No. 36946 - Eligible Telecommunications Carrier Repository Docket*

Dear Ms. Tanner:

On behalf of Wilkes Telephone & Electric Company, please find enclosed for filing on a confidential basis the CAF-ICC Data Submission Report, and four (4) certifications. The initial three documents certify: the accuracy of the CAF ICC Data Reported, Rate-of-Return Carrier Eligibility for CAF/ICC Recovery, and the Rate-of–Return Carrier Not Seeking Duplicative Recovery. The final certification form authorizes an Agent to File Data Reported on Behalf of the Reporting Carrier.

This filing is being made in compliance with the Federal Communications Commission's ("FCC") rule in Section 54.304 (d)(1). Please note that this information is being filed as a Trade Secret under Section 515-3-1.11. The request for Trade Secret Treatment under 515-3-1-.11 is included in this filing.

Any questions or comments may be directed to me at the email address listed below. Thank you.

Sincerely,

Matt Marino
