Docket No. _____

PLATINUM EQUITY CAPITAL PARTNERS IV, L.P.,
SECURUS TECHNOLOGIES, LLC, AND
SCRS INTERMEDIATE HOLDING CORPORATION
TRADE SECRET PETITION

Platinum Equity Capital Partners IV, L.P. ("PECP"), Aventiv Technologies, LLC ("Aventiv"), Securus Technologies, LLC ("Securus"), and SCRS Intermediate Holding Corporation ("SCRS Intermediate HC," collectively, the "Applicants"), by and through counsel, hereby provide certain confidential and proprietary information to the Georgia Public Service Commission ("Commission") contemporaneously and in connection with submitting a joint application ("Joint Application") for approval and authority, pursuant to O.C.G.A. § 46-5-41 & 46-2-28 and the rules of the Commission, for the transfer of indirect control of Securus to SCRS Intermediate HC (the "Transaction") in the above-referenced proceeding.

Pursuant to O.C.G.A. §§ 10-1-760 *et seq*., including O.C.G.A. § 10-1-761(4), and

Commission Rule 515-3-1-.11 governing trade secrets, Applicants request trade secret treatment of Exhibit A and Exhibit B to the Joint Application (the "Confidential Exhibits"), for the reasons discussed below.

I. STATUTORY AND REGULATORY REQUIREMENTS.

O.C.G.A. § 10-1-761(4) defines "trade secret" information as information, without regard to form, including technical or non-technical data, a formula, pattern, compilation, program, method, device, process, technique, drawing, financial data, financial plans, product plans, and lists of actual or potential customers or suppliers, that is not commonly known by or available to the public and which information:

(A) Derives economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use; and

(B) Is the subject of efforts that are reasonable under the circumstances to maintain its secrecy.

Commission Rule 515-3-1-.11(1)(c) sets forth that Applicants shall provide by written affidavit the legal and factual basis for their assertion that the information for which protection is sought constitutes trade secrets and should not be disclosed, including, for each item claimed to be a trade secret:

(1) Why the information derives economic value from not being generally known to others;

(2) How others can obtain economic value from its disclosure; and

(3) Procedures utilized by Applicants to maintain its secrecy.

This Petition is submitted to meet these requirements.

II. PROPRIETARY INFORMATION.

Information contained in the Confidential Exhibits is proprietary in nature. The Applicants derive economic value from the information in the Confidential Exhibits relating to them because such information is not known to others and is not readily ascertainable by other persons who could obtain economic value from its disclosure or use. The information contained in the Confidential Exhibits relates to Applicants' financial statements and information, including balance sheets and profit and loss information. The Confidential Exhibits thus constitute a trade secret within the meaning of O.C.G.A. § 10-1-761(4).

III. GUARDING AGAINST COMPETITIVE HARM.

The financial information submitted by the Applicants is highly confidential and not publicly available. Release of the information in the Confidential Exhibits would provide competitors with market information relating to the Applicants' operations. In addition, release of such information could disadvantage Applicants by giving competitors and their potential customers insight into plans, strategies, and ability to compete, and into the Applicants' ability to enhance their operations and competitiveness.

IV. MAINTAINING THE SECRECY OF THE CONFIDENTIAL EXHIBITS.

The information set forth in the Confidential Exhibits has been the subject of efforts by each of the Applicants that are reasonable under the circumstances to maintain the secrecy of the information.

Applicants maintain the secrecy of the information contained within the Confidential Exhibits by retaining possession and control of the information, and by not disclosing the information to others not subject to confidentiality restrictions. Specifically, Applicants take all appropriate and legal measures to ensure that the information contained in the Confidential

Exhibits is provided internally only to those persons who have a demonstrated need to be given access to the information.

V. SUBMISSION OF CONFIDENTIAL EXHIBITS.

Applicants are submitting the Confidential Exhibits to the Commission under protective seal with the designation "TRADE SECRET" or similar markings prominently displayed on the Exhibits. Pursuant to Commission Rule 515-3-1-.11(1)(b), and because the Confidential Exhibits constitute protected trade secret information in their entirety, redacted public disclosure versions of the Confidential Exhibits are not being submitted.

VI. MASTER LIST OF FILINGS.

The Applicants shall maintain a master list of all filings submitted to the Commission pursuant to Rule 515-3-1-.11(d) governing trade secrets. The master list will identify the document submitted and the docket number related to the application.

VII. CONCLUSION.

Applicants respectfully request that the Commission designate the attached Confidential Exhibits to the Joint Application as confidential and proprietary trade secret information under Commission Rule 515-3-1-.11, and grant Applicants such other relief as may be necessary, and pursuant to law, to protect the confidentiality of the information in the Confidential Exhibits.

Respectfully submitted,
