Dear Ms. Thebert:

Under Georgia Public Service Commission Rule 515-9-3-.09(1)(c), we are emailing you on behalf of Atlanta Gas Light Company to "request an informal conference with the Pipeline Safety Director and/or [her] staff to discuss" Staff's Notice of Probable Violation, Notice of Amendment, Letter of Concern, and Civil Penalty filed May 19, 2025 in this docket.

We look forward to arranging a date and time for this conference and to reviewing the basis of the alleged violations under Rule 515-9-3-.10(1). Please reach out to Leticia Quezada at (603) 514-2036 when you are ready to schedule the conference.

Sincerely yours,
