Re: Georgia Power Company's CARES 2025 Utility Scale Renewable Request for Proposals, Docket No. 55952

Dear Ms. Sallie Tanner:

Enclosed for filing are revised versions of the final draft CARES 2025 Utility Scale ("US") Request for Proposals ("RFP"), three pro forma Power Purchase Agreements ("PPA"), and pro forma Build Transfer Agreement ("BTA") (collective, the "RFP Documents"). All defined terms not otherwise defined herein have the meanings set forth in the RFP Documents.

Specifically, the RFP Documents have been updated to incorporate the use of on-demand performance bonds as an additional form of acceptable Eligible Collateral for Upgrade Security. Clean and redline versions are included to show the changes to the RFP Documents from those that were filed on June 20, 2025, in this docket. Commission Staff and the Independent Evaluator are supportive of the proposed changes. Georgia Power requests Commission approval of the RFP Documents, as revised.

If you have any questions regarding this filing, please call me at (404) 885-3779.

Sincerely,

By Allison W. Pryor
