The Hearing in the above-referenced Georgia Power Company Integrated Resource Act proceeding before the Georgia Public Service Commission ("Commission") is hereby scheduled in the main hearing room located at 244 Washington Street, S.W., Atlanta, Georgia 30334, at 9:30a.m. on July 15, 2025, immediately following the Commission's regularly scheduled Administrative Session.

To the extent parties intend to present witnesses at the hearing, witnesses may present their testimony verbally and will be subject to cross-examination. As Georgia Power has the burden of proving that the information constitutes a trade secret, Georgia Power shall present its witnesses first. Following the presentation of any witnesses, the Commission shall hear oral argument. Argument shall be no longer than 15 minutes per side unless otherwise ordered by the Chair. Georgia Power shall present its oral argument first and may reserve up to five minutes of its time

for response.

At the conclusion of the Hearing, the Commission will proceed to a Special Administrative Session for consideration of decision on this matter.

LEGAL AUTHORITY FOR HEARING

This hearing will be held under the authority and jurisdiction conferred upon the Commission by O.C.G.A. §§ 46-2-50-59, 46-3-13, and 50-13-13, 10-1-760 and Commission Trade Secret Rule 515-3-1-.11.

MATTER AT ISSUE

Movants ask that the public be given access to the following information redacted by Georgia Power in the above-captioned docket:

- Estimated overall cost of expanding the electric system with the proposals in this IRP (**Exhibit 2-A**).
- How many megawatts per year Georgia Power includes in its forecast because of expected large loads (**Exhibit 3-A**).
- The specific overall contribution of different classes of customers (e.g. residential, commercial, industrial) and other high-level adjustments to the projected load forecast that forms the underlying basis of the IRP (**Exhibit 4-A**).
- What size and type of power plants Georgia Power expects to own or operate during the next ten years, as requested in part by GIPL and Southface in HR-1-2 (**Exhibit 5-A**).
- What basic assumptions Georgia Power uses about the overall cost and performance of generic types of power production to evaluate which resources are most economically optimal for Georgia Power customers (**Exhibit 6-A**).
- Basic information about major outages experienced by Georgia Power customers during the past three years (**Exhibit 7-A**).
- Estimated costs of Georgia Power's transmission plan which is created in consultation with other Georgia electric utilities (**Exhibit 8-A**).

WHEREFORE, pursuant to the Georgia Administrative Procedure Act, O.C.G.A. § 50-13-13 and Commission Trade Secret Rule 515-3-1-.11(7), and in furtherance of the orderly, efficient and expeditious resolution of this matter,

IT IS HEREBY ORDERED as follows:

- A. This Notice of Hearing and Procedural and Scheduling Order shall be served upon all Parties of record via e-mail. Public notice of this hearing shall be given by the Commission on the Commission Calendar posted on the Commission's website.
- B. The Chairman of the Commission hereby adopts and issues the schedule, procedures, and statements regarding the issues set forth within this Order.
- C. A motion for reconsideration, rehearing, oral argument, or any other motion shall not stay the effective date of this Order, unless otherwise ordered by the Commission.
- D. Jurisdiction over these matters is expressly retained for the purpose of entering such further Order or Orders as the Commission may deem just and proper.

SO ORDERED, this 30th day of June 2025.

JASON SHAW
CHAIRMAN
