Slash Pine
Electric Membership Corporation

Pre-Paid Metering Service
Schedule 10

AVAILABILITY

Available in all territory served by the Cooperative, in accordance with the established rules and regulations of the Cooperative.

APPLICABILITY

Applicable at the Cooperative's discretion as an alternative to Residential Rate Schedule 1 for consumers who voluntarily elect to participate in the Cooperative's Pre-Paid Metering Program with the installation of a remote meter/switch combination and receive service hereunder.

This Program is only available for residential use, where service requirements necessitate the installation of 50 kVA or less, subject to the established rules and regulations of the Cooperative, as stated in the Residential Rate Schedule 1. This Program is only suitable for year-round occupancy and shall by occupied by the owner or shall be the principal place of dwelling. Service under this Program is not available for premises where there are circumstances of life support and medical priority.

TYPE OF SERVICE

Single-phase sixty hertz at standard voltage: 120/240 volts

MONTHLY RATE

Service Charge: @ .83334¢ per day.

Plus Energy Charge: @ 15.348¢ per kilowatt-hour (kWh)

Plus Wholesale Power Cost Adjustment

Plus All Applicable Taxes

TERMS OF SERVICE AND PROGRAM FEES

Additional terms shall apply as conditions of service under the Pre-Paid Metering Program. In addition to the Service, Meter, and Energy Charges shown above, certain program fees shall apply. The terms of service and the amounts of these fees shall be

determined by the Cooperative under its Pre-Paid Metering Program, and the Cooperative may amend such terms of service and fees from time to time. Such terms of service and fees shall include:

A. If a consumer is a new member, then membership and account establishment fees as provided by the Cooperative's Service Rules and Regulations must be paid before electric service is initiated.

B. A minimum purchase must be paid for the amount of electrical energy stored in the meter when service is initiated to the consumer under the Pre-Paid Metering Program.

    a. New consumers - $75.00

    b. Existing consumers – The difference between $75.00 and the sum of Deposits and Other Deposits made by the consumer.

C. Pre-Paid Metering Program consumers have responsibility for accessing and reviewing account balances. All Pre-Paid Metering Program consumers are required to maintain at least one method of receiving alerts on their account at all times.

D. When the account balance reaches $0.00, a disconnect will be initiated. After 5 days of disconnection, consumer's account will be final billed.

E. Reconnections will occur as follows:

    a. If service is reconnected during regular business hours, there is no reconnect fee, but the consumer must pay any deficit balance and bring the account balance back up to a minimum $75.00 credit.

    b. If service is reconnected after regular business hours and requires a customer service representative to assist in the reconnect process, a $10.00 after-hours reconnect fee will apply, and the consumer must pay any deficit balance, plus reconnection fee, and the account balance must have a minimum $75.00 credit.

F. Any existing debt management plan in effect for the consumer at the time of initial service under this Program will call for at least 25% of each monthly payment going to reduce the balance of debt subject to the debt management plan.

G. If the consumer requests that billing hereunder be transferred to Residential Rate Schedule 1, then the consumer will be billed a rate change service fee of $25.00 and the account be credited for the current balance in the Pre-Paid Metering Program, and the consumer will be required to pay a refundable deposit in such amount as specified by the Cooperative's Service Rules and Regulations.

WHOLESALE POWER COST ADJUSTMENT

The foregoing charges shall be adjusted each month by an amount per kilowatt-hour as set forth under the provisions of the Cooperative's Wholesale Power Cost Adjustment; Schedule "WPCA."

TERM OF PAYMENT

All payments for service rendered hereunder shall by pre-paid by the consumer according to the provisions stated in the Cooperative's Pre-Paid Metering Program and, if

applicable, the contract for electric service between the Cooperative and the consumer. The above charges are net.

TERM OF CONTRACT

One (1) year. Customers may select an optional rate after the initial one-year contract period has ended.

GENERAL TERMS

This rate schedule is subject to be amended by approval of the Board of Directors of Slash Pine EMC and is on file with the Georgia Public Service Commission.

Service hereunder is subject to Rules and Regulations for Electric Service on file with the Georgia Public Service Commission.

EFFECTIVE DATE

Bills rendered on or after April 1, 2025
