Slash Pine
Electric Membership Corporation

Irrigation Service
Schedule 5

AVAILABILITY

Throughout the Cooperative's, service territory from existing lines of adequate capacity.

APPLICABILITY

Applicable to all customers requiring electric service of one standard voltage as outlined in the Cooperative's Service Rules and Regulations, delivered at one location point and metered for irrigation purposes equal to or greater than 15 horsepower.

TYPE OF SERVICE

Single or three phase, 60 hertz, at standard voltage.

MONTHLY RATE

Base Service Charge…….. $ 45.00 per month

Energy Charge:
All kWh…….@……..…….. 17.595¢ per kWh

Wholesale Power Cost Adjustment

Applicable Taxes

MINIMUM MONTHLY SERVICE CHARGE

The minimum monthly bill shall be the greater of the following charges, plus any power cost adjustment charge and tax:

1. Standard Base Service Charge as specified in the Rate 5 Monthly Rate, or
2. Contract Base Service Charge as specified in the Contract.

WHOLESALE POWER COST ADJUSTMENT

The foregoing charges shall be adjusted each month by an amount per kilowatt-hour as set forth under the provisions of the Cooperative's Wholesale Power Cost Adjustment; Schedule "WPCA".

DELIVERY POINT

Unless otherwise specified in the service contract, the delivery point shall be the metering point when service is furnished at standard secondary voltage. If service is furnished at standard primary voltage, the point of attachment of the Cooperative's primary line to the consumer's primary facilities at a single location shall be the point of delivery. Contribution in-aid of construction may be required if adequate capacity is not readily available.

TERMS OF PAYMENT

Payment is due upon receipt of bill. Payments not received within 15 days of billing date, a late charge of 10% will be added.

LINE EXTENSION CONTRACT PERIOD

A formal contract will be required between the Cooperative and the customer for line extension constructed to serve the irrigation load for up to sixty (60) months ; provided however, the contract shall be automatically renewed for twelve-month terms after the end of the initial contract period, unless either party gives the other notice in writing of its intention to terminate the service not later than the end of the billing period. Otherwise, the basic minimum term for electric service without a line extension contract is one year.

GENERAL TERMS & CONDITION

The bill calculated under this schedule is subject to change in such an amount as may be approved and/or amended by Slash Pine Electric Membership Corporation's Board of Directors and is subject to the established rules and regulations of the Cooperative.

Service hereunder is subject to Rules and Regulations for Electric Service on file with the Georgia Public Service Commission.

EFFECTIVE DATE

Bills rendered on or after June 1, 2025
