Application to Intervene of EMC Natural Gas, Inc.

COMES NOW, EMC Natural Gas, Inc., d/b/a True Natural Gas (hereafter "True Natural Gas" or "True"), and pursuant to O.C.G.A. §§ 50-13-14 and 46-2-59 and the Commission's Utility Rule 515-2-1.06, hereby file their Application to Intervene (hereafter "Application") in the above-referenced docket. In support hereof, True Natural Gas show as follows:

1.

On April 15, 2025, the Georgia Public Service Commission (hereafter "the Commission") approved a Procedural and Scheduling Order for this docket.

2.

True Natural Gas is a natural gas marketing company that was certified by the Commission to market natural gas to end-users in all delivery groups and pools in the State of Georgia.

3.

As an active natural gas marketer, True has both a legal and property interest in this proceeding. It receives distribution service from Atlanta Gas Light Company for all its customers and is allocated or assigned a portion of Atlanta Gas Light Company's costs for various services and programs. The Commission's decisions relative to this docket will establish precedents and costs that could impact the future provision of natural gas service to True's customers.

4.

The interests of True and are not adequately represented by other parties to this proceeding. In a competitive market, no other gas marketers who have or may apply for intervention in this docket can adequately represent True's rights and interests in this matter.

5.

True's participation in this docket will not unduly delay or prejudice the rights of other parties. If their application is granted, True intends to participate fully as parties in this docket.

6.

True requests that the following persons receive all notices, correspondence and copies of pleadings, orders and other materials filed in this docket, and that all communications regarding this docket be directed to:
