My name is Jeffrey Underwood. I am over the age of eighteen, suffer from no legal disabilities and am able to give this Affidavit.

2.

I am the Director of Accounting and Office Services and have been duly authorized by Ocmulgee EMC's Board of Directors to prepare this Affidavit and cause it to be submitted with a request that the PSC acknowledge that the submitted materials contain information that constitute trade secrets covered by Article 27 of Chapter 1 of Title 10.

3.

The mailing address for Ocmulgee EMC is: 5722 Eastman Street, Eastman, Georgia 31023.

4.

I hereby verify and affirm the following, as required by O.C.G.A. §50-18-72(a)(34):

(a) Ocmulgee EMC is filing its tariff designated: ILG-2 Incremental Load Growth Service.

(b) The information which has been redacted from the enclosed "PUBLIC DISCLOSURE DOCUMENT" (hereinafter, the "trade secrets") constitute a trade secret covered by Article 27 of Chapter 1 of Title 10.

(c) The legal and factual basis for Ocmulgee EMC's assertion that the protected information is a trade secret includes, among other things, the following:

(1) The trade secrets are of great economic value to Ocmulgee EMC by virtue of its not being generally known to, and not being readily ascertainable by proper means by, other people who can obtain economic value from its disclosure or use.

(2) Maintaining the confidentiality of the trade secrets is of commercial value to Ocmulgee EMC because, among other reasons:

I. "The information could be used by competitors to determine Ocmulgee EMC's cost of power;" and "the information would be helpful to Ocmulgee EMC's potential and actual competitors in seeking to acquire competitive retail electric service contracts in the future," etc.

(3) Other people can obtain economic value from the disclosure of the trade secrets by, among other things:

I. "Knowledge of the trade secrets could permit other energy suppliers to undercut Ocmulgee EMC's pricing, fee structure or service terms within this rate classification;" etc.

(4) Ocmulgee EMC uses the following procedures, among others, to maintain the secrecy of the trade secrets:

I. Ocmulgee EMC maintains the secrecy of the data, by utilizing encryption technology, passwords, nondisclosure agreements, physical security

measures, and limits the distribution of the trade secrets to only those who need the information for the benefit of Ocmulgee EMC, and who have agreed not to use or distribute the information to others," etc.

**Under penalties of perjury, I declare that I have examined this information, including accompanying documents, and, to the best of my knowledge and belief, the information is true, correct, and complete.**
