Docket No. 56178
Liberty Utilities (Peach State Natural Gas) Corp.
Updates to 2025 -2026 Gas Supply Plan: Petition & Testimony

Dear Ms. Tanner:

Liberty Utilities (Peach State Natural Gas) Corp. ("Company") hereby files two updates to its 2025 -2026 Gas Supply Plan in the above-referenced docket. Enclosed for filing with this letter is an Updated Petition and the Updated Pre-Filed Direct Testimony of Martin DeBruin. The purpose of these updates is to remove references in the Petition and Testimony to a tariff filing that was never filed and for which the Company is no longer seeking approval at this time; the Company may or may not choose to make the same or a different tariff filing at a later date in an appropriate docket. In submitting this Updated Petition and Testimony, the only changes were to remove the references to the unfiled tariff; there are no changes to any of the exhibits or supporting documents as originally filed on July 1, 2025, or as revised, as applicable, by the July 17, 2025, filing. There is no Trade Secret filing associated with this filing as both documents today do not contain any trade secret information.

Please call if you have any questions. Thank you.

Regards,
