RE: Georgia Power Company's 2029-2031 All-Source Capacity Request For Proposals, End of Process Standards of Conduct Acknowledgment and Final Evaluation Team List; Docket No. 55268

Dear Ms. Tanner:

In accordance with Georgia Public Service Commission (the "Commission") Rule 515-3-4-.04(3)(d), and pursuant to Georgia Power Company's ("Georgia Power" or the "Company") 2029-2031 All-Source Capacity Request For Proposals ("All-Source Capacity RFP"), enclosed for filing are the Evaluation Team End of Process Standards of Conduct Form, including the Acknowledgement each team member was asked to sign, and the Final All-Source Capacity RFP Evaluation Team list. Every effort was made to contact members of the Evaluation Team who are now either retired or who have left Southern Company or Georgia Power employment (as indicated on the final Evaluation team List) and despite best efforts, those Evaluation Team End of Process Standards of Conduct Acknowledgments were not obtained. This filing constitutes the final filing for the All-Source Capacity RFP Evaluation Team.

If you have any questions, please contact Ty Story at 404-506-2921.

Sincerely,

/s/ Jeremiah Haswell
