Intergovernmental Agreement
For Asset Purchase

This Agreement is made and entered into as of May 1, 2017 (the Effective Date), by and among the South Georgia Governmental Services Authority, a Georgia Authority and body politic created by Act of the Georgia General Assembly (hereinafter "SGGSA"), City of Cairo, a Georgia municipal corporation (hereinafter "Cairo"), City of Camilla, a Georgia municipal corporation (hereinafter "Camilla"), City of Moultrie, a Georgia municipal corporation (hereinafter "Moultrie"), and City of Thomasville, a Georgia municipal corporation (hereinafter "Thomasville"), such Cities hereinafter being referred to as "Member Cities" or "Cities".

WITNESSETH:

1. Property. Cairo, Camilla, Moultrie and Thomasville, agree to sell, and SGGSA agrees to buy, the personal property, equipment, inventory, customer lists, contracts and real property used in the Sellers' existing telecommunication systems described, respectively, on Exhibits "A-1", "A-2", "A-3" and "A-4", attached.

2. Excluded Property. Cairo, Camilla, Moultrie and Thomasville shall not sell, and SGGSA shall not buy, any of the Sellers' accounts receivable, general intangibles or any other property unless otherwise specifically listed herein as being conveyed to SGGSA. Specifically excluded property related to the telecommunications business or assets of Cairo, Camilla, Moultrie and Thomasville are described, respectively, on Exhibits "B-1", "B-2", "B-3" and 'B-4", attached.

3. Contracts, Licenses and Permits. In addition to the property conveyed to SGGSA pursuant hereto, Cairo, Camilla, Moultrie and Thomasville shall, as soon as reasonably possible after closing, transfer to SGGSA all licenses and permits used by them or required of them in the providing of telecommunications service, including contracts for telecommunications services to which Cairo, Camilla, Moultrie and Thomasville are parties, including but not limited to, retransmission agreements, dark fiber leases (whether as Lessor or Lessee), programing agreements, advertising agreements and marketing agreements.

4. Purchase Price. The Purchase Price due at closing from SGGSA to each Seller will be the net proceeds of the bond issue less the costs of issuance of the bonds and the costs of fully

funding a debt service reserve for the bonds. This is estimated to be approximately $26.4 million. These net proceeds will be distributed based on the following percentage:

Cairo	13%
Camilla	12%
Moultrie	22%
Thomasville	53%

Until such time as the Parties hereto agree to amend this Agreement, the above percentages shall reflect the Cities' respective ownership interest in the Authority's Fiber Optic Based Broadband System.

5. Bond Financing. SGGSA shall finance the Purchase Price through the issuance of $30 million in revenue bonds secured by SGGSA revenues and the assets to be acquired pursuant to the provisions hereof as well as other assets of SGGSA heretofore acquired by it. Any of the Cities, if they so elect, may acquire any of said bonds to be issued. The obligations of the parties hereto, as contained herein, are contingent upon the issuance of the herein described revenue bonds, and further contingent on such bonds being issued absent a requirement that same be backed by the full faith and credit of the Member Cities. All bond funds realized in excess of the purchase price as a result of such bond issuance may be used for sinking fund reserves, payments of cost of bond issuance, other debts of the Authority and for such other purposes as the SGGSA Board of Directors may direct.

6. Closing. The closings of the transactions herein contemplated shall take place at the offices of SGGSA on or before May 1, 2017, or such other time and place as the Parties may agree. Prior to closing, all notes, loans, or other obligations from the Authority and/or any of the Member Cities to the City of Camilla shall be paid in full.

7. Documents. At closing, the Parties shall execute and deliver the following documents:

(a) Bills of Sale, Warranty Deeds, Transfer, Assignment and Assumption Agreements as to the personal property, real property, contracts, permits and other properties transferred pursuant hereto.

(b) Pole Line Attachment Agreement between SGGSA and each of Cairo, Camilla, Moultrie and Thomasville for all poles belonging to each of the said Cities on which SGGSA has fiber optic or coaxial cables attached, in form and substance as is shown on Exhibit "C" attached.

(c) SGGSA shall, between the date hereof and July 1, 2017, negotiate and enter into an identical Franchise Agreement with Cairo, Camilla, Moultrie and Thomasville and other local governmental entities or shall elect to file an application for a state franchise in such service areas pursuant to O.C.G.A. § 36-76-3, et seq., provided however, that such annual fees shall not exceed 5% of revenue and shall be calculated and paid on a quarterly basis.

(d) Intergovernmental Agreement for Management and Personnel Services between SGGSA and the City of Thomasville in form and substance as shown on Exhibit "E" attached.

(e) Intergovernmental Operating Agreement between SGGSA and Cairo, Camilla, Moultrie and Thomasville regarding the operation of SGGSA, division of future revenues, expansion and the like, in form and substance as is shown on Exhibit "F" attached.

8. Warranties. Each of the Parties hereto warrant to the other Parties as follows:

(a) There are no judgments, liens, actions or proceedings pending against the warranting party or its assets which would preclude the consummation of the transactions contemplated hereby.

(b) The warranting party has as of the Effective Date, materially complied with all laws, rules, and regulations relating to the business and/or property referred to in Paragraph 1 hereof and will, to the best of its ability, between the Effective Date and the date of closing, comply with all such laws, rules and regulations pertaining to such business and/or property.

(c) There are no laws, orders (judicial or regulatory) bond covenants, contractual covenants or other restrictions to which the warranting party is a party or of which the warranting party has knowledge, which would prevent it from consummating the transactions contemplated hereby or would put the warranting party in violation or breach thereof.

(d) Warranting party has, or will have, on or before the effective date hereof, received approval from its governing body to execute this Agreement, the documents specified herein and consummate the transactions contemplated hereby.

(e) The warranting party has good and marketable title to the assets which it will convey, if any, pursuant to the terms hereof.

9. Contingencies. The obligations of each of the Parties hereto is contingent upon the following:

(a) Issuance of the revenue bonds to SGGSA and payment of the Purchase Price to the Sellers by SGGSA.

(b) Such bonds being issued absent a requirement that same be backed by the full faith and credit of the Member Cities or any of them;

(c) Approval of the governing authorities of the Parties hereto to the execution hereof and consummation of the transactions contemplated hereby.

(d) The completion of the contemplated transactions by all of the other Parties hereto.

10. Condition of Property. All properties, contract rights and general intangibles to be transferred pursuant to the provisions hereof shall be in there "AS IS", "WHERE IS" condition.
