JOINT PETITION OF ATLANTA GAS LIGHT COMPANY, THE CITY OF LAGRANGE, THE CITY OF HOGANSVILLE, AND THE CITY OF WEST POINT FOR APPROVAL OF THE PROPOSED AMENDMENT TO THE TROUP COUNTYWIDE SAFETY PLAN

Atlanta Gas Light Company ("AGL"), the City of LaGrange ("LaGrange"), the City of Hogansville ("Hogansville"), and the City of West Point ("West Point") file this Joint Petition for Approval of the Proposed Amendment to the Troup Countywide Safety Plan ("Joint Petition") with the Georgia Public Service Commission ("Commission"), requesting that the Commission approve the proposed amendment to the Troup Countywide Safety Plan ("Troup CWSP") under Commission Rule 515-9-7-.01(4).

INTRODUCTION

On June 21, 2010, the Commission approved the Troup CWSP and AGL's Application for an Amended Certificate of Public Convenience and Necessity. The Commission revised the boundaries of the Troup CWSP on May 5, 2011, August 7, 2012, October 5, 2017, and again on March 5, 2024. Subsequently, Milliken & Company has requested natural gas from LaGrange in an area along US Highway 27, east of Interstate 185 that is not currently served by or assigned to any operator in Troup County under the Troup CWSP (the "Unassigned Territory"). There will be no customer transfers. Under the proposed amendment to the Troup CWSP, LaGrange will be serving approximately one new customer in Troup County, Georgia: Milliken & Company's Pine Mountain Plant.

AGL, LaGrange, Hogansville, and West Point have worked in good faith to divide additional unserved and unassigned area within Troup County, so that any new customers will be able to receive natural gas service in a timely manner. Dividing the currently unserved and unassigned territory will also prevent the creation of duplicative gas systems in the future and reduce the number of approvals necessary to expand into an area that is currently unassigned. AGL, LaGrange, Hogansville, and West Point request that the Commission revise the Troup CWSP to redefine Boundaries 1 through 9 as Boundaries 1 through 6 and to expand LaGrange's and West Point's service territories to include the currently unassigned territory. A copy of the proposed Troup CWSP is attached hereto as Exhibit 1. Additionally, AGL, LaGrange, Hogansville, and West Point request that the Commission waive the hearing requirement set forth in Commission Rule 515-9-7-.01(4).

CITATION TO AUTHORITY

The Commission has the authority to amend a Countywide Safety Plan ("CWSP") under Commission Rule 515-9-7-.01(4). Rule 515-9-7-.01(4) provides that "[a]fter adoption of a Natural Gas Safety Plan by the Commission, any Operator in the county may petition the Commission to amend, or the Commission may on its own motion initiate proceedings to amend, the Natural Gas Safety Plan." Further, the Operator(s) proposing to amend the CWSP "shall provide notice to every Operator with a natural gas Distribution System in the county of its proposed amendment and shall work in good faith with the existing Operator or Operators to file a jointly proposed amendment with the Commission." Ga. Comp. R. & Regs. 515-9-7-.01(4). AGL, LaGrange, Hogansville, and West Point are the only natural gas Operators in Troup County. The Operators have worked in good faith to file this jointly proposed amendment.

CONCLUSION

Based on the foregoing, AGL, LaGrange, Hogansville, and West Point respectfully request that the Commission grant this Joint Petition to amend the boundaries of the Troup CWSP and waive the hearing requirement under Commission Rule 515-9-7-.01(4).
