In Re: Georgia Power Company's Application for the Certification of the CARES 2023 Utility Scale Renewable Power Purchase Agreements	))))	**Docket No. 56181**

STIPULATION

The Georgia Public Service Commission's ("Commission") Public Interest Advocacy Staff ("Staff") and Georgia Power Company ("Georgia Power" or the "Company") (collectively the "Stipulating Parties") agree to the following stipulation as a resolution of the above-styled proceeding to consider the Company's Application for the Certification of the CARES 2023 Utility Scale Renewable Power Purchase Agreements ("PPAs") in Docket No. 56181 ("Certification Application"). The Stipulation is intended to resolve all issues in this Docket regarding the Company's Certification Application. The Stipulating Parties agree as follows:

1. The Company's requests to certify the PPAs from the CARES 2023 Utility Scale Renewable RFP with GA Solar 5, LLC, Wilsonville Solar, LLC, Beaver Creek Solar I, LLC, Stellar Dry Creek Solar, LLC, and Stellar Shamrock Solar, LLC, that collectively provide energy, capacity, Environmental Attributes, and Electrical Products from a portfolio of 1,068 MW, are approved.

2. Consistent with the Commission's July 29, 2022, 2022 IRP Final Order in Docket No. 44160, the Company's request for a levelized additional sum of $4 per kW-year for the term of the CARES 2023 Utility Scale Renewable PPAs is approved.

Agreed to this 8th day of August 2025.
