Re: Glenwood Telephone Company - Universal Service Certification
47 U.S.C. § 254(e); 47 C.F.R. § 54.314

Dear Chairman Shaw:

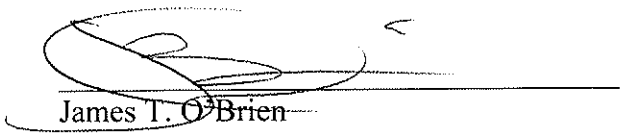

This letter is to request that the Georgia Public Service Commission ("GPSC") notify the Universal Service Administrative Company ("USAC") and the Federal Communications Commission ("FCC") that Glenwood Telephone Company is eligible to receive federal high-cost support in accordance with the above-referenced statute and federal rule.

The amount of federal high-cost and Connect America Fund ("CAF") support Glenwood Telephone Company received in 2024 and will receive in 2026 will continue to be used for the services and functionalities outlined in 47 C.F.R. § 54.101(a) and, as the attached affidavit shows Glenwood Telephone Company certifies that it has and will only use the federal high-cost and CAF support it receives for the provision, maintenance and upgrading of facilities and service for which such support is intended.

This state certification for federal support will be an annual process. In order to receive federal support beginning January 1 of each year, the GPSC must file its annual certification on or before October 1 of the year before.

Glenwood Telephone Company respectfully requests that the GPSC notify the FCC and USAC prior to October 1 of this year that Glenwood Telephone Company is eligible to receive federal high-cost support for 2026.

Sincerely,

James T. O'Brien
CEO
Glenwood Telephone Company
