APPLICATION FOR LEAVE TO INTERVENE OF
THE GEORGIA ASSOCIATION OF MANUFACTURERS

COMES NOW, the Georgia Association of Manufacturers ("GAM"), pursuant to O.C.G.A. §§ 50-13-14 and 46-2-59 and Commission Rule 515-2-1-.06, and hereby files this Application for Leave to Intervene ("Application") in the above-referenced dockets. The Application is timely filed. In support hereof, GAM respectfully shows as follows:

1.

On July 30, 2025, Georgia Power Company ("Georgia Power" or "Company") filed its *Application for the Certification of the All-Source Capacity Power Purchase Agreements and Company-Owned Proposals* and its *Application for the Certification of Supplemental Resources for 2028-2031 Capacity*, initiating these dockets. On August 5, 2025, the Commission approved a procedural and scheduling order for these two dockets.

2.

GAM represents manufacturers who purchase electricity from Georgia Power. The rates paid by these manufacturers have a significant impact on their businesses, international and interstate competitiveness, and ability to attract and retain jobs for Georgians. These dockets will determine the certification of numerous resources to serve the customers of Georgia Power

and therefore will ultimately impact electricity costs. As a result, GAM has substantial interests in the Petition and desires to intervene in order to protect those interests.

3.

GAM's rights and interests cannot be adequately represented by any other party to the above-styled dockets and its participation in this matter will not unduly delay these proceedings or prejudice any other party.

4.

GAM respectfully requests that it be granted leave to intervene and participate fully as a party in these proceedings, including the right to present testimony and exhibits, cross-examine witnesses, and file briefs. GAM intends to participate in this docket.

5.

GAM respectfully requests that the following persons be included on the service list in this docket and that all communications regarding this docket be directed to them:
