Re: Georgia Power Company's Application for the Certification of the Twiggs County Battery Energy Storage System, Docket No. 56258

Georgia Power Company's Application for the Certification of the 2018/2019 Renewable Energy Development Initiative Utility Scale Power Purchase Agreements, Docket No. 41596

Dear Ms. Tanner:

Enclosed for filing on behalf of Georgia Power Company ("Georgia Power") is the fully executed Amendment No. 1 to Agreement for the Purchase of Energy, Environmental Attributes, and Electrical Products from a Renewable Resource between Georgia Power and Twiggs County Solar, LLC ("Twiggs Solar PPA"). Consistent with the form of Amendment included as Appendix D to the Application for Certification of the Twiggs County BESS in Docket No. 56258, this Amendment No. 1 to the Twiggs Solar PPA modifies the existing Twiggs Solar PPA to account for the addition of the Twiggs County Battery Energy Storage System ("BESS"). Both the Twiggs County BESS and amended certificate for the Twiggs Solar PPA were approved by the Georgia Public Service Commission ("Commission") at its September 4, 2025 Administrative Session. As such, this filing serves as a compliance filing to implement the necessary changes to the Twiggs Solar PPA as approved by the Commission.

This filing contains certain information that is being filed under the Commission's trade secret rules as explained in the enclosed trade secret assertion.

Please call me at (404) 885-3779 if you have any questions regarding this filing.

Sincerely,

By Allison W. Pryor
