IN RE: NATURAL GAS INCIDENT AT
710 GORDON AVE, BAINBRIDGE GA 39819
ON APRIL 28-29, 2025}

DOCKET # DOCKET NO. 56377
DOCUMENT #224251

STAFF'S SECOND SET OF DATA REQUESTS TO:
City of Bainbridge
ATTN: Mr. Roy Oliver
P. O. Box 158
Bainbridge, GA 39818

COMES NOW the Georgia Public Service Commission Staff ("Staff") and, pursuant to the authority vested in it by the Georgia Public Service Commission (Commission) pursuant to O.C.G.A. § 46-2-57, herein propounds the following interrogatories and requests for production of documents (collectively, "data requests"), to be answered under oath by the City of Bainbridge or its designated representatives.

1. To file electronically please use the link https://psc.ga.gov/alternative-efile/. All filings must be submitted in a minimum of WORD format. The form is self- explanatory, but if you have any questions please feel free to call me at (404) 656- 4540 or email me at stanner@psc.ga.gov.
2. This procedure has been in effect since March 17, 2020, and will remain in effect until further notice.
3. All filings made prior to 4:00 p.m. will be given that date as the official filing date.
4. All required fields must be completed before the form will be transmitted to the Commission. All required fields are designated with a *. Although "Docket Number and Description of Filing" are not a required field it would greatly facilitate the process for you to fill out this section.
5. Once you have submitted your form you will receive two (2) e-mails acknowledging receipt of your filing here at the Commission. One will be titled "Georgia Public Service Commis…PSC Alternative Filing" and the other will be titled "Georgia Public Service Commis…Auto Response GA PSC Alternative eFiling."
6. Trade Secrets can also be submitted along with any public disclosure filing on the Alternative Electronic Filing link.
7. Please place any trade secret information in the folder titled "Attachment (Trade Secret)". These trade secret files will be sent to the respective Unit Directors for sharing with their appropriate staff members. Please ensure all accompanying "Trade Secret Affidavits" are in the "Attachment (Public Disclosure)" folder, since they do not contain any trade secret information.

Please provide responses on or before 4:00 p.m. on November 14, 2025.

INSTRUCTIONS

a) These requests shall be deemed to be continuing.

b) All information is to be divulged that is within the knowledge, possession, control, or custody of the Respondent or may be reasonably ascertained thereby.

c) As used herein the "document" included, but is not limited to, the original and all copies (regardless of origin and whether or not including additional writing thereon or attached thereto) of memoranda, reports, books, manuals, instructions, directives, records, forms, notes, letters, notices, confirmations, telephone calls, meetings or other communications, bulletins, transcripts, diaries, analyses, summaries, correspondence and enclosures, circulars, opinions, studies, investigations, questionnaires and surveys, work sheets, and all drafts, preliminary versions, alterations, modifications, revisions, changes, amendments and written comments concerning the foregoing, in whatever form, stored or contained in or on whatever medium including computerized memory or magnetic media.

Information Request

Docket No. 56377

Staff's Second Set of Data Requests for the Natural Gas Incident at 710 Gordon Ave, Bainbridge GA on April 28-29, 2025.

STF 2-1	Please provide a copy of the City of Bainbridge's procedures for incident reporting.
STF 2-2	Please provide a copy of the City of Bainbridge's procedures for compliance with Commission Rule 515-9-1-.06(c) - Incident Requiring Telephonic Notification.
STF 2-3	Please provide a copy of the City of Bainbridge's procedures for failure investigation. (Ref. 49CFR, §192.617)
STF 2-4	How many calls for natural gas leaks did Bainbridge receive for the time period of Jan 1 to April 29, 2025?
STF 2-5	Bainbridge provided Staff with a copy of Appendix Q – After Action Review Guidance for the incident at 710 Gordon Ave on April 29, 2025. What was the date and time this after action review was conducted?
STF 2-6	Does Bainbridge complete Appendix Q – After Action Review Guidance for all gas leak calls that are received?
STF 2-7	In regard to Bainbridge's response to STF1-1 (May 1, 2025 letter), were any photos taken or recorded that show the tree roots wrapped around the pipe?
STF 2-8	Bainbridge's response to STF 1-13 only included a copy of the Public Awareness messaging and an affidavit that they were mailed to the customers. Please provide evidence that these materials were sent to the customer at 710 Gordon Ave, Apt H-30.
STF 2-9	In regard to Bainbridge's response to STF 1-5: (1) Who "obtained the information" from the Maintenance man at the Landmark Apartments? (2) What was the name of the Maintenance man that provided information? (3) Provide the time this consultation with the Maintenance man took place? (4) Please summarize the key points from the consultation with the Maintenance man. (5) Is Bainbridge aware of the Maintenance man having his own combustible gas indicator? (6) Please provide copies of any documentation, records, photos, etc. related to the consultation with the Maintenance man.
STF 2-10	In regard to Bainbridge's response to STF 1-5: (1) What time did Kevin Maxwell consult with the Fire Chief. (2) What was the name of the Fire Chief that stated the explosion was not natural gas related? (3) Please summarize the key points from the consultation with the Fire Chief; specifically address how the Fire Chief determined that this event was not related to natural gas. (4) Did Bainbridge rely solely on the Fire Chief's conclusion regarding the cause of the explosion or did Bainbridge conduct its own failure investigation? (5) Please provide copies of any documentation, records, photos, etc. related to the consultation with the Fire Chief. (6) Did Bainbridge consider the possibility that gas concentrations on the previous day could have been at higher levels because the gas was confined to a small space?

	(7) Is Bainbridge aware of whether the Fire Chief considered the possibility that gas concentrations on the previous day could have been at higher levels because the gas was confined to a small space? (7) On the day of the explosion, is Bainbridge aware of whether the fire department conducted any combustible gas readings in the apartment where the incident occurred?
STF 2-11	In regard to Bainbridge's response to STF 1-5: (1) What time did Kevin Maxwell consult with Public Safety? (2) Who was the Public Safety person that stated that the explosion was not natural gas related? (3) Were there any other members of Public Safety that Kevin Maxwell talked to? (4) Please summarize the key points from the consultation with the Public Safety officials: specifically address how the Public Safety official determined that this event was not related to natural gas. (5) Please provide copies of any documentation that was made related to this consultation. (6) Did Bainbridge consider the possibility that gas concentrations on the previous day could have been at higher levels because the gas was confined to a small space? (7) Is Bainbridge aware of whether Public Safety officials considered the possibility that gas concentrations on the previous day could have been at higher levels because the gas was confined to a small space? (8) What information did the Public Safety officials have when determining this incident was not gas related? Please provide any and all related information. (8) Is Bainbridge aware of whether Public Safey officials were advised there was a concentration of gas in building H?
STF 2-12	In regard to Bainbridge's response to STF 1-5: (1) What was the date and time of the 8% LEL reading in the kitchen of 710 Gordon Ave, Apt H-30? (2) Who recorded this reading? (9) Please provide copies of any documentation that was made related to this investigation.
STF 2-13	In regard to Bainbridge's response to STF 1-6: (1) What time did Kevin Maxwell consult with Sam Yarley from the Municipal Gas Authority of Georgia's (MGAG) Subscribed Regulatory Compliance Service (SRCS)? (2) Please summarize the key points from the consultation with Sam Yarley. (3) Were there any other parties involved in this consultation? (4) Please provide copies of any documentation (emails, texts, photos, etc.) related to this consultation. (3) Is Bainbridge aware of whether Sam Yarley provided Kevin Maxwell with any guidance as to what notifications the operator should have made in regard to this incident? If so, please provide copies of any documentation (emails, texts, photos, etc.) related to this guidance.
STF 2-14	Please provide copies of the messaging provided for liaison activities for the Bainbridge Fire Department and Bainbridge Public Safety for 2024 and 2025.
STF 2-15	Please provide documentation demonstrating who Bainbridge performed liaison activities with for 2024 and 2025 for the Bainbridge Fire Department and Bainbridge Public Safety.
