Dear Shannon:

Snapping Shoals EMC (SSEMC) is seeking to obtain a new long-term loan from CFC. This new financing is subject to the approval of the Georgia Public Service Commission ("PSC"). Please note for PSC purposes, the proposed financing will be for a secured long-term loan in the amount of $125 million. The facility will have a term of 40 years.

Enclosed are the following documents necessary to create a loan request package to put before the Energy Committee and subsequent Administrative Session:

1. Consent Letter
2. Loan Proposal Summary
3. Loan Commitment Letter
4. Unexecuted Loan Agreement
5. Copy of Executed Board Resolution
6. Unexecuted Promissory Note
7. Copy of New Unexecuted Mortgage (to be signed)
8. Work Plan Documentation (Non-RUS Borrower)
9. December 31, 2024 Audited Financial Statements
10. December 31, 2024 Year End Form 7
11. PSC Questions

Please let me know if there is any additional information required to complete the package for SSEMC. We would like to be on the next agenda for the Energy Committee and Administrative Session, on November 13-18, respectively. As always, I thank you for your help!

Sincerely,

Eric C. Andrews
Associate Vice President
