System Interity Rider (SIR)

I. Applicability

The SIR charge will apply to all Rate Schedules of the Company that contain a Monthly Customer Charge Per Meter (regardless of the usage of gas.)

II. Purpose

The purpose of this rider is for the Company to recover certain costs associated with system integrity improvement projects approved by the Commission to be included within the SIR.

III. Billing Rate

The SIR for each rate schedule shall be as follows:

Residential – 810 and 822: $18 annually ($1.50 per month)

Commercial – 820, 891, 830, 840, 892, 893: $252 annually ($21.00 per month)

Industrial Firm – 820, 830: $9,360 annually ($780 per month)

Industrial non-Firm – 830T, 850, 860: $26,100 annually ($2,175 per month)

Industrial Local Gas Transport – 870: $3,600 annually ($300 per month)
