Re: Docket No. 42959, Liberty Required 2026 GRAM and Petition for System Integrity Rider with Alternative 2026 GRAM

Dear Ms. Tanner:

Liberty Utilities (Peach State Natural Gas) Corp. is hereby submitting the Company's Required 2026 Annual Georgia Rate Adjustment Mechanism ("GRAM") filing under Docket 42959. Also filed in this docket is the Company's Petition to Approve a System Integrity Rider ("SIR") Tariff with an Alternative 2026 Annual GRAM. The Company hereby notifies the Commission that the Alternative 2026 Annual GRAM filing is contingent and dependent upon the Commission also approving the new SIR Tariff. If the SIR Tariff is not approved, then the recovery identified in the Alternative 2026 GRAM filing is invalid for it will not allow Liberty to earn its return; if the SIR Tariff is denied, then Liberty requests approval of the Required 2026 Annual GRAM. We look forward to working with the Commission and getting both the Alternative 2026 GRAM and the new SIR Tariff approved.

If you have any questions, please contact me at 678-707-5226.

Sincerely,

Adam Bigknife
