IN RE: GEORGIA POWER COMPANY'S 2015 REQUEST FOR PROPOSALS

DOCKET NO. 44880

IN RE: GEORGIA POWER COMPANY'S APPLICATION FOR CERTIFICATION OF BIOMASS POWER PURCHASE AGREEMENTS

ORDER APPROVING CONSENTS TO ASSIGNMENT

On October 24, 2025, Georgia Power Company ("Georgia Power" or "Company") filed for Georgia Public Service Commission ("Commission") approval to consent to the assignment of four International Paper Company ("International Paper") Contracts for the Purchase of Firm Capacity and Energy (collectively, "Power Purchase Agreements" or "PPAs") to GCF US Holdings LLC ("GCF").

Georgia Power and International Paper's predecessor-in-interest, Weyerhaeuser NR Company ("Weyerhaeuser"), entered into two Contracts for the Purchase of Firm Capacity and Energy from a Renewable Qualifying Facility Utilizing the Proxy Unit Methodology as of March 5, 2014 ("Flint River QF PPA" and "Port Wentworth QF PPA"), under which Weyerhaeuser agreed to sell, and Georgia Power agreed to purchase, biomass capacity and energy from the generating facilities known as Flint River ("Flint River Facility") and Port Wentworth ("Port Wentworth Facility"). Pursuant to previous consents and amendments, International Paper is now

the owner of the Flint River Facility and Port Wentworth Facility and is now Georgia Power's counterparty with respect to these PPAs.

Georgia Power and International Paper entered into Power Purchase Agreements for Biomass Generation at International Paper – Flint River Mill and Port Wentworth Mill as of June 24, 2024 ("Flint River Biomass PPA" and "Port Wentworth Biomass PPA"), under which International Paper agreed to sell, and GPC agreed to purchase, biomass capacity and energy from the generating facilities.

International Paper and GCF requested Georgia Power's consent to International Paper's assignment of the Flint River QF PPA, Port Wentworth QF PPA, Flint River Biomass PPA, and Port Wentworth Biomass PPA to GCF.

Georgia Power negotiated the appropriate documents to provide its consent to the Flint River QF PPA, Flint River Biomass PPA, Port Wentworth QF PPA, and Port Wentworth Biomass PPA assignments and provided copies to Commission Staff ("Staff"). Georgia Power requested the Commission's approval of the consents.

Staff reviewed Georgia Power's consents to International Paper's Flint River QF PPA, Port Wentworth QF PPA, Flint River Biomass PPA, and Port Wentworth Biomass PPA, which would allow the assignment of the PPAs to GCF. Staff recommended Commission approval of the consents.

The Commission approved Staff's recommendation at the November 4, 2025 Administrative Session.
