RE: All Required Regulatory Filings – Calendar Year 2024 Exemption Request

Dear Executive Secretary:

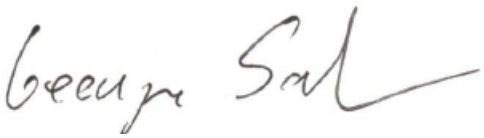

Ezee Fiber Texas, LLC d/b/a Ezee Fiber hereby respectfully requests the Georgia Public Service Commission ("GPSC") an exemption from all required regulatory filings under Certificate No. L-7968 – Certificate of Authority to Provide Competitive Local Exchange Telecommunications Services – for calendar year ending in December 31, 2024.

Ezee Fiber did not have any intrastate telecommunications customers or telecommunications intrastate operating revenues in Georgia to report for calendar year 2024. Therefore, Ezee Fiber requests the GPSC to accept this exemption letter in lieu of the all required regulatory filings applicable to its competitive local exchange services authority for calendar year 2024.

Ezee Fiber also requests that the GPSC verify that this exemption letter is accepted and Ezee Fiber is exempted from all required regulatory filings applicable to its competitive local exchange services authority for calendar 2024 via email to legal@ezeefiber.com.

Should you have any questions or require additional information, please contact Mr. Salimbas directly.

On behalf of Ezee Fiber,

George Salimbas, General Counsel
