Docket No. 56628

In Re: **Notice of Inquiry to Municipal Competitive Local Exchange Carriers**

ORDER EXTENDING DEADLINE TO RESPOND TO NOI

I. Background

In Administrative Session on October 21, 2025, the Georgia Public Service Commission approved the issuance of a Notice of Inquiry ("NOI") to municipal competitive local exchange carriers ("Municipal CLECs") in Docket No. 56628. The purpose of the NOI is to determine if there is a more effective and less burdensome method for preventing cross-subsidization than the requirements that are currently imposed in Municipal CLECs' certificates of authority. Responses to the questions in the NOI are due by 4:00 PM on November 21, 2025.

On November 7, 2025, the Georgia Municipal Association ("GMA") filed a letter requesting an extension to the deadline to respond to the NOI. GMA states that additional time is needed in order "to assemble data and information from its member Municipal CLECs from which to prepare comments to be filed with the Commission." GMA requests an extension to December 18, 2025. *GMA Letter, p. 1.*

II. Staff Recommendation

Staff did not object to the extension requested by GMA and recommended approval.

III. Commission Decision

The Commission adopts Staff's recommendations for the reasons stated therein.

The above by action of the Commission in Administrative Session on the 18th day of November 2025.
