Docket No. 56298 and 56310
Summary of Staff's First Errata to the Direct Testimony Trokey, Drugan, and Pol

---

Correction #1 – p. 38, lines 15-17

Original Text:

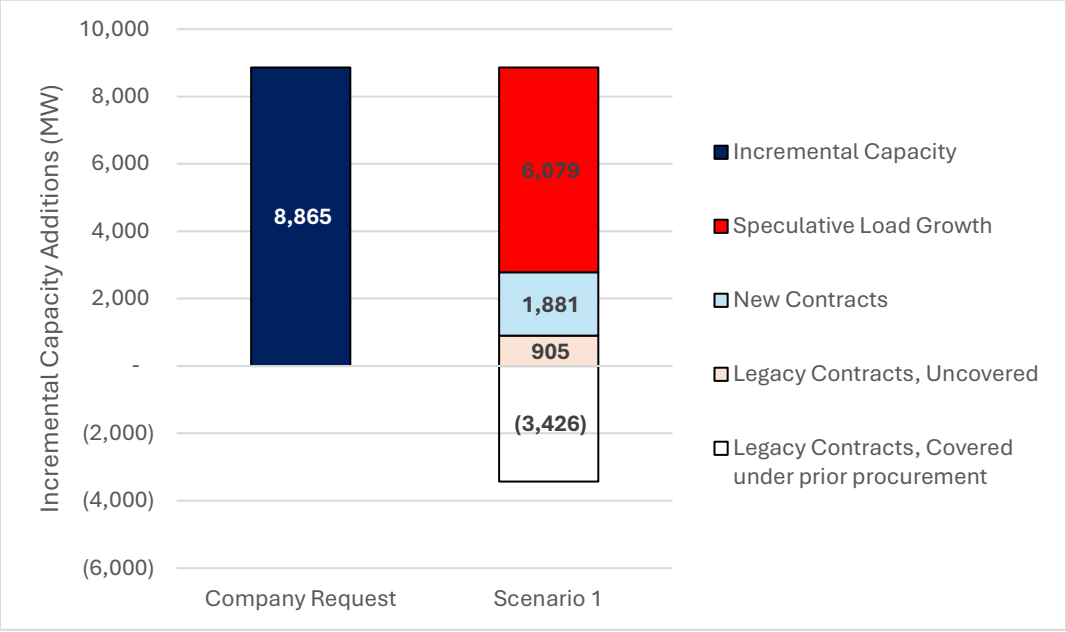

As shown in Figure 10, only ~21% of the requested load increase is covered under the new rules and regulations approved by the Commission, while the remaining 79% offer far fewer protections to existing ratepayers.

Corrected Text, Corrections highlighted in yellow:

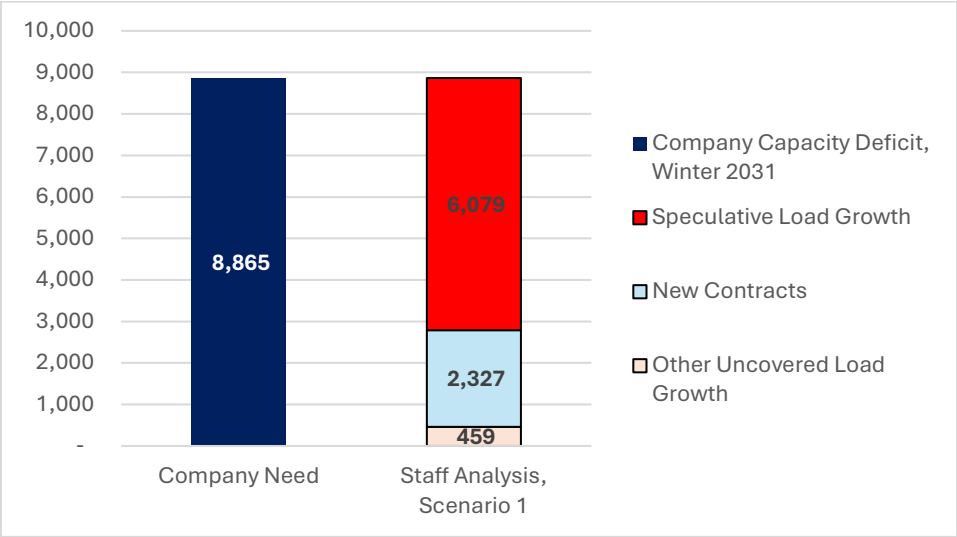

As shown in Figure 10, only ~26% of the requested load increase is covered under the new rules and regulations approved by the Commission, while the remaining 79% offer far fewer protections to existing ratepayers

Correction #2 – p. 39, Figure 10

Original Figure:

Corrected Figure:

Note: "New Contracts" and "Legacy Contracts, Uncovered" have been adjusted to reflect reserve margin requirements of ~23.7%, as proposed by the Newsome, Hayet, Wellborn panel. Load associated with "Legacy Contracts, Covered under prior procurement" has been removed from the figure to reflect its original intent. Other minor nomenclature edits have been made to clarify the figure.
