REQUEST FOR A MOTION TO STAY

Comes now, Axpo U.S. LLC ("Axpo" or "Company") files this Request for a Motion to Stay ("Motion") requesting the Georgia Public Service Commission (the "Commission") approve to stay its Procedural and Scheduling Order ("PSO") 90-day statutory clock approved in Docket No. 56293 on October 7, 2025, and modified by the Commission on November 6, 2025. As grounds for this Motion, Axpo states the following:

1. On July 3, 2025, Axpo filed an Application for Natural Gas Certificate of Authority ("Application") in Docket No. 56293 pursuant to O.C.G.A. 46-4-153 and Commission Rule 515-7-3-.03. On October 7, 2025, the Commission approved a PSO with a 90-day statutory deadline of January 7, 2026.

2. On October 14, 2025, Axpo filed its direct testimony in this matter. During the certification and review process, the Company met and worked with Commission staff ("Staff") and Atlanta Gas Light Company ("AGL") to obtain an understanding of the gas marketer operations in Georgia.

3. On November 4, 2025, Axpo filed a request for approval of a motion to stay the PSO approved in this docket on October 7, 2025. On November 6, 2025, the Commission granted the motion to stay the PSO.

4. As a result of the meetings with AGL, Axpo would like additional time to continue to develop its understanding of operating as a gas marketer on AGL's deregulated system, and to revise its direct testimony in Section III, "Technical Capability and Gas Supply," while continuing to meet with AGL and consult with Staff throughout this process.

5. Axpo understands that granting this Motion will alter the statutory deadline and agrees to the following revised schedule:

a. Axpo revised testimony due on Thursday, February 12, 2026;

b. Hearing on the Application held on or about Tuesday, March 17, 2026 (subject to Commission approval and availability);

c. Briefs from parties due on or about Tuesday, March 31, 2026; and

d. Commission to issue a decision on the Application on or about Tuesday, April 21, 2026.

WHEREFORE, Axpo respectfully requests approval for its Motion.

Respectfully submitted this 17th day of December, 2025.
