**RE: Order Establishing a Methodology for Incremental Bad Debt Due to the COVID-19 Disconnection Moratorium ("Methodology Order"), Docket No. 42516
Data for December 2025**

Dear Ms. Tanner:

Enclosed for filing in the above-referenced proceeding is Georgia Power Company's ("Georgia Power" or "Company") Monthly Bad Debt Report ("Report"), reflecting data for December 2025. This Report includes the number of charge-offs, the number of installment plan enrollments, PrePay status, and total disconnections for nonpayment. This information along with some other data points requested by Commission Staff are provided in the Report. Importantly, the totals arrears should not be confused with those eligible for disconnection under the Commission's disconnection rule. For example, 30+ day arrears do not alone qualify a customer for disconnection under the Commission rule. In addition, please note that the information provided in the report represents data through each respective month. Data will change on a regular basis between monthly filings.

If you have any questions, please call Steven Huling at 404-506-0438.

Sincerely,

/s/ Jeremiah C. Haswell

BEFORE THE GEORGIA PUBLIC SERVICE COMMISSION

**Georgia Power Company
Docket No. 42516
2019 Base Rate Case
PSC Monthly Bad Debt Report**

**BASIS FOR THE ASSERTION THAT THE
INFORMATION SUBMITTED IS TRADE SECRET**

As part of Georgia Power Company's 2019 Base Rate Case filed in Docket No. 42516 ("2019 Base Rate Case"), Georgia Power Company (the "Company") submits to the Georgia Public Service Commission (the "Commission") the monthly bad debt report ("Report"). In the Report, the Company has provided detailed preliminary financial information for October, November and December 2025. Portions of such information (the "Information") constitute trade secret information of the Southern Company, Georgia Power, and its affiliates and is therefore protected from public disclosure under Commission Rule 515-3-1-.11.

The trade secret portions of the Information derive economic value from not being generally known to, and not being readily ascertainable by proper means by other persons who can obtain economic value from its disclosure or use. Specifically, the trade secret portions of the Information contain the Company's actual financial revenues results that have not been disclosed to the public through the quarterly SEC filings. If the trade secret portions of the Information were revealed to the public before the quarterly filing, the Company's equity investors could use the Information to purchase or sell equity positions which could harm the Company's ability to obtain equity financing at the appropriate cost to the detriment of ratepayers. Disclosure of the trade secret portions of the Information could also put the Company at a strategic disadvantage to its competitors since they are not required to provide monthly financials prior to the release of the quarterly SEC filings.

The trade secret portions of the Information are subject to substantial procedures to maintain its secrecy. Only select Company and Southern Company Services personnel are granted access to the Information. Those personnel receive access only on a "need to know" basis. Parties outside the Company who have been granted access to the Information, if any, have been required to sign confidentiality agreements with respect to the Information.
