Re: Request to Cancel the Certificates of CBTS Technology Solutions LLC

Dear Executive Secretary Tanner:

This letter surrenders the Certificates granted to CBTS Technology Solutions LLC ("CBTS-TS") to provide resold interexchange telecommunications services pursuant to Certificate No. R-0217 in Docket No. 8732-U, interexchange alternate operator services pursuant to Certificate No. A-056 in Docket No. 4331-U, and resold competitive local exchange services pursuant to Certificate No. L-0479 in Docket No. 30108.¹ The letter also cancels and withdraws any CBTS-TS tariff on file with the Commission.

CBTS-TS no longer provides regulated telecommunications services in the state of Georgia. The public will not be harmed by the surrender (and cancellation by the Commission) of the Certificates held by CBTS-TS because the company no longer has customers receiving regulated telecommunications services. Further, the surrender is reasonable and necessary and not disruptive to the present or future public interest, convenience and necessity.

Any questions or inquiries regarding any outstanding regulatory obligations of CBTS-TS should be directed to:

¹ The certificates were originally issued to Cincinnati Bell Any Distance Inc. ("CBAD"). On October 13, 2017, CBAD notified the Commission of its name change to CBTS Technology Solutions LLC, and on November 14, 2017, the Commission approved the name change.
