Re: Georgia Power Company's 2025 Request for Proposals for Energy Storage System Resources, Docket No. 56139

Dear Ms. Tanner:

Enclosed for filing are the Final Approved Request for Proposals ("RFP") and Pro Forma contracts for Georgia Power's Energy Storage System ("ESS") 500 RFP (collectively, the "RFP Documents"). The Commission approved the RFP Documents as modified at its February 3, 2026 Administrative Session. The conforming edits and final modifications to the RFP Documents were shared with and agreed to by Staff and the Independent Evaluator. As such, the enclosed Final Approved versions of the RFP Documents will be included in the RFP issuance on February 11, 2026.

If you have any questions regarding this filing, please call me at (404) 885-3779.

Best regards,

By Allison W. Pryor
