APPLICATION FOR LEAVE TO INTERVENE OF
THE GEORGIA ASSOCIATION OF MANUFACTURERS

COMES NOW, the Georgia Association of Manufacturers ("GAM"), pursuant to O.C.G.A. §§ 50-13-14 and 46-2-59 and Commission Rule 515-2-1-.06, and hereby files this Application for Leave to Intervene ("Application") in the above-referenced docket. The Application is timely filed. In support hereof, GAM respectfully shows as follows:

1.

On January 21, 2026, the Commission issued a procedural and scheduling order ("PSO") in this docket. Under the PSO, Georgia Power Company ("Georgia Power" or "Company") is scheduled to file on February 17, 2026 its application and supporting direct testimony for adjustments for the recovery of under-recovered storm damages. This filing is a result of the Stipulation approved by the Commission on July 31, 2025 in this docket.

2.

GAM represents manufacturers who purchase electricity from Georgia Power. The rates paid by these manufacturers have a significant impact on their businesses, international and interstate competitiveness, and ability to attract and retain jobs for Georgians. This docket will determine the amount and manner of recovery of under-collected storm damage expenses and thus will have a direct impact on electricity costs. As a result, GAM has substantial interests in the docket and desires to intervene in order to protect those interests.

3.

GAM's rights and interests cannot be adequately represented by any other party to the above-styled dockets and its participation in this matter will not unduly delay these proceedings or prejudice any other party.

4.

GAM respectfully requests that it be granted leave to intervene and participate fully as a party in these proceedings, including the right to present testimony and exhibits, cross-examine witnesses, and file briefs. GAM intends to participate in this docket.

5.

GAM respectfully requests that the following persons be included on the service list in this docket and that all communications regarding this docket be directed to them:
